DAUGHTER Papa, I have prepared a nice lunch basket for you. Cheese, butter, canned sardines.

LOHMAN Ah, I hope you're not serious. If I want sardines, I'll catch 'em myself.

DAUGHTER You catch bigger fish than that, papa. Murderers!

LOHMAN Ahhhh.

105

SON There you are, Inspector, the beer is loaded.

LOHMAN All of it? Our thanks, son All three cases of Pilsner?

SON As a matter of fact, four?!

107

DISTRICT ATT'Y Good morning.

LOHMAN Good morning. A mossy business, Mister District
Attorney. Unfortunataly, this time there's no prob-
lem with identification.

DISTRICT ATTY Yes, I know.

LOHMAN The briefcase is missing.

DISTRICT ATTY No surprise.

LOHMAN What was in it?

DISTRICT ATTY Incriminating evidence.

108

LOHMAN That someone wanted to eliminate..

DISTRICT ATTY Probably Chicago. The crime syndicat.

Operative Haag bf Interpol. Operative Haag was sure the crime syndicate in Chicago was trying to contact a criminal organization here. He believed he'd found a clue at last..

109

LOHMAN He was on the right track alright. Oh hh uh, by the way. I have a cable from the FBI. The syndicate recently sent a woman over here to make contacts.

DISTRICT ATTY A woman?

LOHMAN Yeah. A Hissus Pizano. We have her photo. There is a man who may know more about her. I think I'll drop by to pay him a visit.

109 (out)

110

WOLF Good morning.

LOHMAN Warden Wolf?

WOLF It's a pleasure for me, Inspector Lohman.. to finally meet you after these years.

LOHMAN The same goes for me. It's some time now I've wanted to pay you a visit. I send you all your clients. Without me, you'd have to close up. Ha ha.

111

WOLF That's very..amusing.

LOHMAN A very pretty collection.

111 (Cont'd)

WOLF Yes. They are rather good plaster casts. They are representations of the leading criminals of the century. I like to keep them in sight.

LOHMAN Oh?

WOLF Yes, they help me to preserve an indispensable attitude of severity in my work. Hhhh. Have one?

LOHMAN No thanks.

WOLF Won't you please be seated, Inspector?

112

WOLF And now tell me what can I do for you?

LOHMAN I wanted to question one of the inmates of the prison, Alberto Sandro. Serving a life-sentence.

WOLF Alberto Sandro? Just a second. Of course. He is here...in Block D. Number seven o three six. He's serving a life term here for murder. He used to belong to the syndicate. Hh. It was established beyond any shadow of a doubt.

LOHMAN It's a terrible thing, that syndicate, it's a criminal organization on a world-wide scale. A vicious outfit. It's headquarters are in Chicago. It's a gigantic spiderweb, and whoever touches it... is likely to be murdered.

113

WOLF You have to catch the spider, Inspector, not the web. I shall send for Sandro. He is one of the workers in the prison pharmacy.

113 (Cont'd)

LOHMAN Really? I wouldn't trust him for that kind of work.

WOLF Section D. Hello, is that you Bohmler. This is Wolf speaking. I have a visitor for Alberto Sandro. Yes. Send him to me at once.

BOHMLER Very well, Sir. I'LL see he comes at once.

114

BOHMLER Sandro, You have to come with me to the warden's office at once! You heard me. You're wanted by the warden at once. Come on, you. Take off your jacket and roll up your sleeve.
