

BRUNO

Once before a dame tried that
mush on me... and then didn't
come across....

BRUNO

... ~~take a good look at me,~~ *Look at me - but good*
you shut up or you ain't
gonna be tellin' nobody
nothin'!

BRUNO

... and what my sister told you
stands. She's a good woman --
the only person who's ever been
nice to me. You pull somethin'
on her.... and you gotta deal
with me.

BRUNO

... That stuff you'll see when
you'll be sittin' on that train --
and don't you try any monkey
business.

BRUNO

~~And~~ remember... with no passport -
you have nothin' - and you
ain't nothin'!

*And don't you dare
to leave this or you're
going to regret it.*

PAULINE

~~I think I'm losing my mind!~~
